Getting Started:

The collection home page for this library displays an A to Z index showing the title and coverage of each journal. It also displays a one field search box, where you are able to search by Text, Article Title, Author/Creator, Citation, Publication Title, Description, State Country or Date.

Click on the **more information icon**  throughout the collection to learn more, including publisher information, HeinOnline coverage of title, ISSN, etc.

Browse Options:

Browse journals by: publication title, State, Country, Subject, or Most-Cited. All journals were subject coded at the journal title level (not the article title level).

Browse by State/Country:

Clicking browse by state will generate an alphabetical list of the U.S. States. When you click on a state, you will have the option to **Search Journals Published in this State**.

Clicking browse by Country will generate an alphabetical list of countries with published journals and also give the option to search by Country.

ScholarCheck

Hein's [ScholarCheck](#) is a series of tools and features integrated throughout various HeinOnline libraries that allows users to view journal articles and cases* that have a heavy influence on the subject being researched. ScholarCheck allows the researcher to link to articles that cite the article being read, indicates how many articles or cases cite that article, and shows how many times an article has been accessed by other HeinOnline users within a rolling twelve-month period. It also gives researchers the ability to sort their search results by number of times cited by articles or cases, or by number of times accessed. Bluebook citations to articles, cases or documents available in HeinOnline or through Fastcase will appear as a blue highlighted hyperlink, enabling users to quickly jump from document to document.

*ScholarCheck case law features available with an upgrade to Fastcase Premium or by synchronizing existing Fastcase and HeinOnline accounts.

View Articles and Cases that Cite the Current Article

In both search results and in the document itself, easily link to lists of articles and cases that cite the current article. Users can also see how many times the article has been accessed by other HeinOnline users within a rolling twelve-month period.

Matsuda, Mari J.

prudence derived from considering stories from the bottom — will help resolve the seemingly irresolvable conflicts of value and doctrine that characterize liberal thought. Part III tells the victim's story of

nist and critical literature. See, e.g., Minow, *Rights for the Next Generation: A Feminist Approach to Children's Rights*, 9 HARV. WOMEN'S L.J. 1 (1986); Olsen, *The Family and the Market*, 96 HARV. L. REV. 1497 (1983); see also Williams, *The Obliging Shell: An Informal Essay on Formal Equal Opportunity*, 87 MICH. L. REV. 2128 (1989) (discussing the effect of privatization of remedy on racial harm).

11. DeShaney v. Winnebago County Dept. of Social Servs., 109 S.Ct. 998 (1989), denying state liability for third-party acts of child abuse, provides a recent tragic example. The historical response to racist harassment in this country has shifted with ambivalence between a public and private conception of appropriate penalties for racist speech. During the reconstruction period, several formal measures against race harassment were enacted. Subsequent enforcement was sporadic. See Hall, *Political Power and Constitutional Legitimacy: The South Carolina Ku Klux Klan Trials 1871-1872*, 33 EMORY L.J. 921 (1984) (discussing early federal prosecutions for race harassment). Professor Charles Jones argues for a recommitment to the thirteenth and fourteenth amendment promise of freedom through active federal prosecution for hate crimes. Jones, *An Argument for Federal Protection Against Racially Motivated Crimes: 18 U.S.C. § 241 and the Thirteenth Amendment*, 21 HARV. C.R.-C.L. L. REV. 689 (1986).

ScholarCheck and Fastcase

HeinOnline partnered with Fastcase in 2013 to bring free case law to all HeinOnline Core subscribers (Fastcase Basic). In 2014, this partnership was enhanced with the introduction of Fastcase Premium, which offers customers the ability to synchronize existing Fastcase accounts with HeinOnline or the option to upgrade their subscription through HeinOnline to take advantage of additional features, including enhancements to ScholarCheck. In addition to viewing articles that cite a current article or case, Fastcase Premium users are able to view cases that cite a current case or article and sort search results by "number of times cited by cases." Users viewing case law powered by Fastcase will see articles that cite the current case with Fastcase Basic and both cases and articles that cite the current case with Fastcase Premium.

Searching the Law Journal Library

Using the Quick Search Bar

The Quick Search Bar is located on the Law Journal Library [homepage](#) above the A-Z title index. Easily search by article title, author, citation, or perform a full-text search throughout the library.

The screenshot shows the Law Journal Library homepage. On the left, there is a search bar with a dropdown menu set to 'Article Title' and the text 'conveyance of property' entered. A red box highlights the search bar and the 'Search' button. Below the search bar, there are links for 'Advanced Search', 'Help', and 'Find Bluebook Citation'. To the right of the search bar, there is a 'Browse by' section with links for 'All Titles', 'State (U.S.)', 'Country', and 'Subject'. Below this, there is an A-Z title index with letters A through Z. A red box highlights the letter 'A'. On the right side of the page, there is a search results panel. It shows 'Searching for: (title:("conveyance of property"))' and 'Results 1-3 of 3 matches displayed'. The first result is 'Fraudulent Conveyances - Fraudulent Conveyance of Property with Respect to Double Liability of [notes] Western Reserve Law Notes, Vol. 1, pp. 36-39 1 W. Res. L. Notes 36 (1941)'. The second result is 'Constitutional Law - Equal Protection of the Laws - Is the Conveyance of Property in Violation of R Restrictive Covenant by a Co-Convenantor an Actionable Breach of Covenant [case] North Dakota Law Review, Vol. 30, Issue 1 (January 1954), pp. 52-54 Lewis, Bayard 30 N.D. L. Rev 52 (1954)'. Both results have links for 'Print/Download Options' and 'Save to MyHein'. A red box highlights the search results panel.

In the above example, searching for the phrase “conveyance of property” in the **Article Title** field reveals results with this phrase contained specifically in the title of the article.

Advanced Searching and Search Syntax

Click the **Search Tab** in the Law Journal Library, and then **Advanced Search** from the left panel:

The screenshot shows the Law Journal Library Advanced Search page. At the top, there is a navigation bar with tabs for 'Resources', 'Search', 'Citation Navigator', 'Catalog Search', 'MyHein', and 'Fastcase New'. Below the navigation bar, there is a 'Libraries >> Law Journal Library >>' link. On the left side, there is a 'Search' section with a search bar and a magnifying glass icon. Below the search bar, there is a list of links: 'Advanced Search', 'Search Index to Periodical Articles Related to Law', 'Search History', and 'Search Help'. A red box highlights the 'Advanced Search' link. Below the 'Search' section, there is an 'About Searching' section with links for 'Searching in HeinOnline - Help Guide (PDF)', 'View Advanced Search Syntax (PDF)', 'How to search the Index to Periodical Articles Related to Law Database (PDF)', and 'How to Search by Subject, State or Country (PDF)'. A red box highlights the 'About Searching' section. Below the 'About Searching' section, there is a red text box that says 'Click any of the links above to access detailed guides about basic searching in HeinOnline, Advanced Search Syntax, and more.' On the right side, there is a 'Search Law Journal Library' section. It has a dropdown menu set to 'Text' and a search bar. Below the search bar, there are dropdown menus for 'Article Title', 'Author/Creator', and 'Subject'. A red box highlights the 'Subject' dropdown menu. Below the 'Subject' dropdown menu, there is a list of subjects: 'All Subjects', 'Accounting', 'Administrative Law', 'Admiralty', and 'Advocacy'. A red box highlights the 'All Subjects' link. Below the list of subjects, there is a 'OR' section with a 'Select Titles:' dropdown menu. Below the 'Select Titles:' dropdown menu, there is a list of titles: 'Citation', 'Journal Title', 'All Titles', 'Law Series Annals W. U. Timisoara', 'A.B.A. Antitrust Section', 'A.B.A. J.', 'A.B.A. J. Lab. & Emp. L.', 'A.B.A. Recent Dev. Pub. Util. Comm. & Transp. Indus.', 'A.B.A. Sec. Admin. L. Ann. Rep. Comm.', 'A.B.A. Sec. Admin. L. Ann. Rep. Div. & Comm.', 'A.B.A. Sec. Corp., Banking & Bus. L. Proc.', and 'A.B.A. Sec. Crim. L. Proc.'. A red box highlights the 'All Titles' link. Below the list of titles, there is a 'Date: (YYYY)' and 'To: (YYYY)' section with a 'Sort by: Relevance' dropdown menu. A red box highlights the 'Date' and 'To' fields. At the bottom, there is a 'Search' button.

Search using a variety of fields, including Text, Article Title, Author/Creator, State, Country and Date. Use the boolean operators in the drop-down box to the right of the search bars, or use one search box to search for multiple words/phrases. Use the date fields to search for items falling within a specific range of years. For example, type in genocide AND Darfur in the first box, leaving it at **Text**; then, leave the second box as **Article Title** and type in "human rights". Enter 2006 to 2011 in the year fields. This will produce results with the phrase "human rights" occurring in the title of the article and the terms genocide and Darfur anywhere in the document text, published within the years 2006-2011.

Click **View Matching Text Pages** to see where your terms, highlighted in green, occur in a document.

Use the buttons at the top of search results to run a **new search**, **modify** the current search, or **search within the current search results**:

We have created several tools to assist users with proper search syntax. Click **Search Help** from the Law Journal Library [homepage](#) or the HeinOnline [Welcome Page](#):

Law Journal Library Homepage

HeinOnline Welcome Page

This will reveal a chart of the most commonly used search syntax options available in HeinOnline:

Search Help	
Search Syntax	
Note that all Boolean operators must use capital letters.	
AND	to search for multiple terms i.e. evidence AND admissibility will produce documents that contain both terms.
OR	to search for either one of a pair of similar terms i.e. brief OR evidence will produce documents that contain either of these terms
NOT	to exclude a term from a search i.e. evidence NOT briefs will exclude every search result containing the word "briefs"
" "	use quotes to search for a phrase i.e. "love canal" will search for documents containing the exact phrase "love canal"
()	to search grouped clauses to form sub queries i.e. (watershed OR "water rights") AND planning will produce documents that contain either watershed or water rights and planning
~	to search for words within a particular proximity of each other i.e. "watershed planning"~10 will search for watershed within 10 words of planning
?	to search for words where there may be variations of the word that you want included in your search i.e. te?t will product documents that contain text or test
*	to search for a word with multiple character differences i.e. brief* will return searches with the words brief, briefs, and briefed
For more information and tips please review our Advanced Search Syntax Guide	

We also offer a [basic search guide](#) and an [Advanced Search Syntax Guide](#), both available from the Law Journal Library search tab. The Advanced Search Syntax Guide is also available from the search help box.

http://www.ibanet.org/Publications/publications_business_law_international.aspx
- **ISSN:** 1467632X
- **Frequency:** 3 issues per volume.
- **HeinOnline Coverage:** Coverage is from volume one. Based on the contract with this title, HeinOnline must delay the addition of new content by one complete volume.

HeinOnline indexes the recent issues of journals, whose content is not currently available in the Law Journal Library. By indexing this content, it allows you to search and browse the title and author information for articles within the volumes that are not yet available in full text within HeinOnline.

For those results in which we do not currently have the full-text available, we will highlight the search result with a light red shade and indicate "Full Text Not Currently Available in HeinOnline".

When you click on the name of the article from the search result, we will provide you with the publisher's information, including a direct link to the publisher's web site, and indicate the coverage of the title in HeinOnline.

When browsing the library, you will also see "Indexing Only" when the full text of an issue is not currently available. Click the more information link directly under the title for publisher information from this screen.

Create e-TOC Alerts

You can create electronic table of contents (e-TOC) alerts within the Law Journal Library that will email you every time the titles you select have been updated. To create an e-TOC alert, browse to a title in HeinOnline and click on the Create e-TOC Alert link. When you click that link, you will receive a message indicating that the title has been added to e-TOC Alerts in your MyHein account. You will then be emailed every time an update is made to that title. To create e-TOC alerts, you must have a MyHein Account. See the [MyHein User's Guide](#) for more information.
